## Field Day Message

ARLX007 follows

ZCZC AX07

QST de W1AW

Special Bulletin 7 ARLX007

From ARRL Headquarters

Newington CT June 25, 2010

To all radio amateurs

SB SPCL ARL ARLX007

ARLX007 2010 W1AW Field Day Bulletin

FD2010 on-air fun starts at 1800 UTC Saturday for you and your club. Swap skills, thoughts or a story about FD past. In addition to W1AW, K6KPH will transmit FD 2010 information from California using CW and digital at 1430 UTC on Saturday and 0030, 0130, 1430 and 1630 UTC on Sunday.

Think of an original brainstorm as you find your limits or surpass what you think you can accomplish. CW, SSB, PSK31 and RTTY will allow you to show your skills and train for upcoming activity. Day or night, hams supply important skills to local community and national organizations, so show your stuff.

For QST, submit your FD forms to ARRL HQ by July 27. Photographs highlight your planning and fun. A GOTA and a VHF station will allow your group to instruct and acquaint visitors with your club story.

Ham Radio is fun and FD2010 is an important part of our hobby. Proudly show off your "radio activity!"
