

Colorado QRP Club
General Meeting (via Zoom)
Saturday, November 13, 2021

Guest Speaker Kevin Zanjani

Kevin is the National Sales Manager at Bioenno Power, based in Santa Ana, California. This presentation provided an exciting overview of the company's Lithium Iron Phosphate batteries and solar products as it applies to ham radio equipment.

Over the years, the company has been profiled in CQ and QST magazines, various websites, and at different hamfests and conventions. Kevin Zanjani holds a BSEE from the University of Michigan, Ann Arbor, MSECE from the University of California, Irvine, and MBA from the University of Southern California. He has worked in the technology industry for 19+ years in Southern California, and began his career in Detroit.

At the conclusion of Kevin's presentation there was a drawing for a 4.5 AH Bioenno LiFePO4 battery (with charger) that given away as a door prize! George Lehmkuhl (CQC # 911, W0NFW) was the winner – congratulations George!

A recording of the meeting and Kevin's presentation can be found at;
